EarthSoul Master Plan

Masterplanning the Joy of Living Amidst Nature at Prime Location

At Prayuktha EarthSoul, the masterplan is a seamless blend of nature, architecture, and community living, ensuring an experience that is both luxurious and sustainable. Spread across 5 acres of lush greenery, the layout is designed to maximize open spaces, natural light, and ventilation, creating a serene and rejuvenating environment for residents.

Key Highlights of the Masterplan:

- **Eco-Sensitive Planning** – Homes are strategically positioned to maintain harmony with nature, minimizing environmental impact.
- **Expansive Green Zones** – Landscaped gardens, tree-lined pathways, and parks create a refreshing living experience.
- **Well-Connected Internal Roads** – Wide, well-paved roads ensure easy movement within the community.
- **Central Amenities Hub** – A luxurious clubhouse, swimming pool, and wellness spaces serve as the heart of the community.
- **Exclusive Villa Layouts** – Each home is positioned to offer privacy, scenic views, and optimal space utilization.
- **Sustainability at Its Core** – Incorporating rainwater harvesting, solar lighting, and organic waste management.
